ORDER YOUR SUPPLY NOW
Chinese Elm Seedlings
(ULMUS PUMILA)

To be sure of getting a supply of these seedlings, order them now. We have had to turn down orders on these, because our supply was exhausted, every year since we began growing them. Although we have over two MILLION SEEDLINGS to offer this year, we still advise nurserymen to order early. A large amount of orders are booked already, for delivery this fall. AVOID DISAPPOINTMENT- ORDER NOW.
